GitHub: <https://github.com/asif7718>

Technical Skills:

Languages: Java, SQL, Python, Salesforce, HTML, CSS

Developer Tools: AWS, Git, Salesforce

Soft Skills: Problem Solving, Teamwork, Communication, Analytics

Certification: VITyarthi, Coursera, Smart bridge, FACE PREP

| EDUCATION | | | |
|---------------|---------------------------|---------------------------------------|-----------------|
| Board | Tenure | Educational institution | CGPA/Percentage |
| B. Tech (CSE) | September 2022 – May 2026 | VIT Bhopal University | 8.43 |
| Class XII | May 2021 | Dr. Virendra Swaroop Education Centre | 79.4% |
| Class X | May 2019 | Dr. Virendra Swaroop Education Centre | 97% |

| ACADEMIC PROJECTS | |
|---------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| AgroNet-4-BHARAT (IoT and ML) | <ul style="list-style-type: none">An IoT-based smart farming system that aims to optimize water use, enhance crop yields and support sustainable farming by using real-time data and automation. It uses ESP8266 microcontroller which works with soil moisture and temperature sensors to collect real time data. Cloud based platform stores this data and with the help of ML algorithm it predicts future irrigation requirements. |
| Flight Booking App (MERN Stack) | <ul style="list-style-type: none">A full-stack MERN application for searching, comparing, and booking flights in a fast, intuitive, and user-friendly way. Users can search for flights, compare options, view detailed information, and book tickets — all in one place with a seamless experience.Contributed to this project on the frontend aspect using HTML and CSS. |

| ACHIEVEMENTS & RESPONSIBILITIES | |
|---------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Achievements | <ul style="list-style-type: none">EXPEDITIONER BADGE holder on Salesforce Trailhead.Completed MERN STACK DEVELOPER Certificate from Smart bridge.Completed Problem Solvers Certificate in DSA from FACE PREP.Cleared first round of Amazon Sambhav Hackathon. |
| Responsibilities | <ul style="list-style-type: none">Lead team in Project Exhibition-I |
